**Raymond Bruce Vere Nicoll Scholarship Fund
Application 2017-18 Academic Year**

Application for Financial Assistance

The Nicoll Fund was established in 1975 and has provided financial assistance to University of Virginia students who participate in and demonstrate dedication to the polo program, and who demonstrate a need for financial aid. The Fund is administered by the Board of Directors of the Raymond Bruce Vere Nicoll Scholarship Fund and has, from time to time, made funds available to assist students with tuition and housing costs. It is the Board's expectation that Nicoll Scholars will, after graduation, support and aid the Nicoll Fund in order that it may continue to assist deserving University of Virginia students who participate in the Virginia Polo Program.

In order to continue to receive funding, all students must maintain a minimum GPA average of 2.0. In addition, students are expected to conduct themselves on and off the field in a manner that reflects positively on the University of Virginia and the polo program.

Although we would like to help everyone, please understand that available funding is limited. Therefore, we ask that all applicants review their personal criteria and restrict scholarship requests to true need.

2017 Application Deadlines:

- Applications for the 2017-18 academic year are due February 15.
- Interviews with applicants will be scheduled for the end of March.
- The Vere Nicoll Board will notify students no later than May 1.
